

# I Have a Hope

**D\\**

**G Bm Asus**  
This Journey that I'm on. I easily forget all that you've done  
**D G Bm Asus**  
when doubts like shadows fall and I just can't see the way

**Pre-Chorus**

**G Asus Bm Asus**  
I recall you are faithful – you're faithful to me  
**G Asus Bm Asus**  
And I know you are able- you're all that I need

**Chorus**

**D Asus Bm G**  
As darkness hides from morning light its by this truth I've won the fight  
**Bm**  
I have a hope  
**D Asus Bm G**  
Your blood has cleansed all of my sin- at my brokenness I've found  
**Bm G**  
I have a hope.  
**Asus D///**  
I have a hope that's only found in Christ

**Vs2**

**D G Bm Asus**  
Battle rages on- trials come but I hold on  
**D G Bm Asus**  
This promise anchors me - I will rise victorious

**Pre-Chorus**

I recall you are faithful – you're faithful to me  
**G Asus Bm Asus**
